

# **PRIMROSE PAPER ARTS INC.**

**ABN 82 921 795 060**

Primrose Paper Arts Inc., is a non-profit association, which means we have no paid staff, all positions are honorary, and the members who make up the Management Committee rely on the other members to help in various ways according to their talents and time available – this might merely mean helping to put brochures in envelopes for our mail out, or phoning those of our members who are not on the internet with news of last minute workshops etc., although occasionally the task might be a bit more time consuming. Membership of Primrose Paper Arts Inc automatically confers membership of Primrose Park Art & Craft Centre.

**MEMBERSHIP:** \$60 per year (1 July to 30 June).

**DISTANCE MEMBERSHIP:** \$40

Membership is pro-rata for those who join during the year:

December – June: \$40.

May 31 – June: \$60, which carries over to the next financial year.

Members may use the centre at **Matora Lane, off Young Street, Cremorne** at pre-arranged times whenever there are no classes running at the centre, provided they have had experience with, and know how to use, the equipment which includes various sized vats, moulds and deckles, the Hollander beater, insinkerator, vacuum table, hydraulic press and etching press. Use of the Hollander beater and printing press is restricted to members who have had a lesson on how to use and care for the relevant equipment.

For further information please ring the Secretary, Jean Riley 94888376 or e-mail
